

Organize your ski trip in 1 hr

What does it take to put together a ski trip? Does it involve many emails back and forth? Perhaps spreadsheet with names, collecting the checks from everyone? Did John say he wants a rental and a lift or he just needs a lift ticket?

Answer: You don't have to deal with any of that. By using NAC SKI online booking site, we will take all the administrative work out of your hands. We specialize in organizing ski trips for over a decade. Here is how easy it is:

1. Small group: pick a date and join one of our public trips:

Greater Boston Area: www.nacski.com/ca

2. Private bus for group size 35+:

- a. If you are new to NAC SKI, create an account:
<https://www.nacski.com/mr/register.aspx?r=ca-sfb>
- b. Check rate by date and submit your trip request:
CA: <https://www.nacski.com/mr/groups.aspx?r=ca-sfb>
MA: <https://www.nacski.com/mr/groups.aspx?r=ma-bos>
- c. We will email you a private booking URL. You just pass it to your group. While they book the trip, as the group lead, you get to see their bookings by:

- After Sept 2012, Brett Studebaker Law went into effect in California, which prohibits alcohol consumption on all charter buses. Other state's law may vary.
- For liability reasons, we require all passengers to book individually instead of one person booking for the entire group. This is to ensure that every passenger agrees to the terms and conditions for the ski trip.
